CORPORATE PROFILE

Shaanxi Yuntai Biological Technology Co.,Ltd (YTBIO) was established in 2014, with headquarters in Xi'an and factory in Weinan Economic and Technological Development Zone, is a comprehensive health care company that integrates the production and sales of health food raw material and finished product&functional cosmetic raw material. YTBIO has a lot of partners in Europe, America and Southeast Asian countries. We're committed to bringing health and beauty into every family.

Product Quality is always the goal for the development of our company, and our products are produced strictly in accordance with the highest quality requirements specified in the quality control system. At present, we have obtained cGMP, FSSC22000, BRC, HACCP, ISO9001, ISO22000, HALAL, KOSHER, FDA, EU&NOP Organic certificates and NMPA registration of various cosmetic ingredients.

YTBIO sets up a brance office and warehouse in both Los Angeles and Europe (Netherlands, Rotterdam), in order to provide more efficient and convenient conditions for transshipment of goods for our clients.
